TEACHING EXPERIENCE

Graduate Courses Taught at Chiang Mai University (Teaching in English)

Seismic Processing, Seismic Acquisition, Velocity modeling and Depth conversion, Seismic Attribute analysis, Seismic Inversion includes: AVO analysis, pre-stack simultaneous inversion, Post stack Inversion, Elastic Impedance Inversion, Extended Elastic Impedance Inversion, since 6/2014-11/2018

Undergraduate Courses Taught at Applied Science University (Teaching in Persian)

Mathematics, Geology, Physics, Signal Processing, 2008–2013

Undergraduate Courses Taught at Mahabad Azad University (Teaching in Persian)

Mathematics, Geology, Physics, 9/2004-1/2006
