Geophysical Bulletin No. 41

GRAVITY ANOMALY MAP

1 : 126 720 Scale

Sheet 23

SOUTH WEXFORD

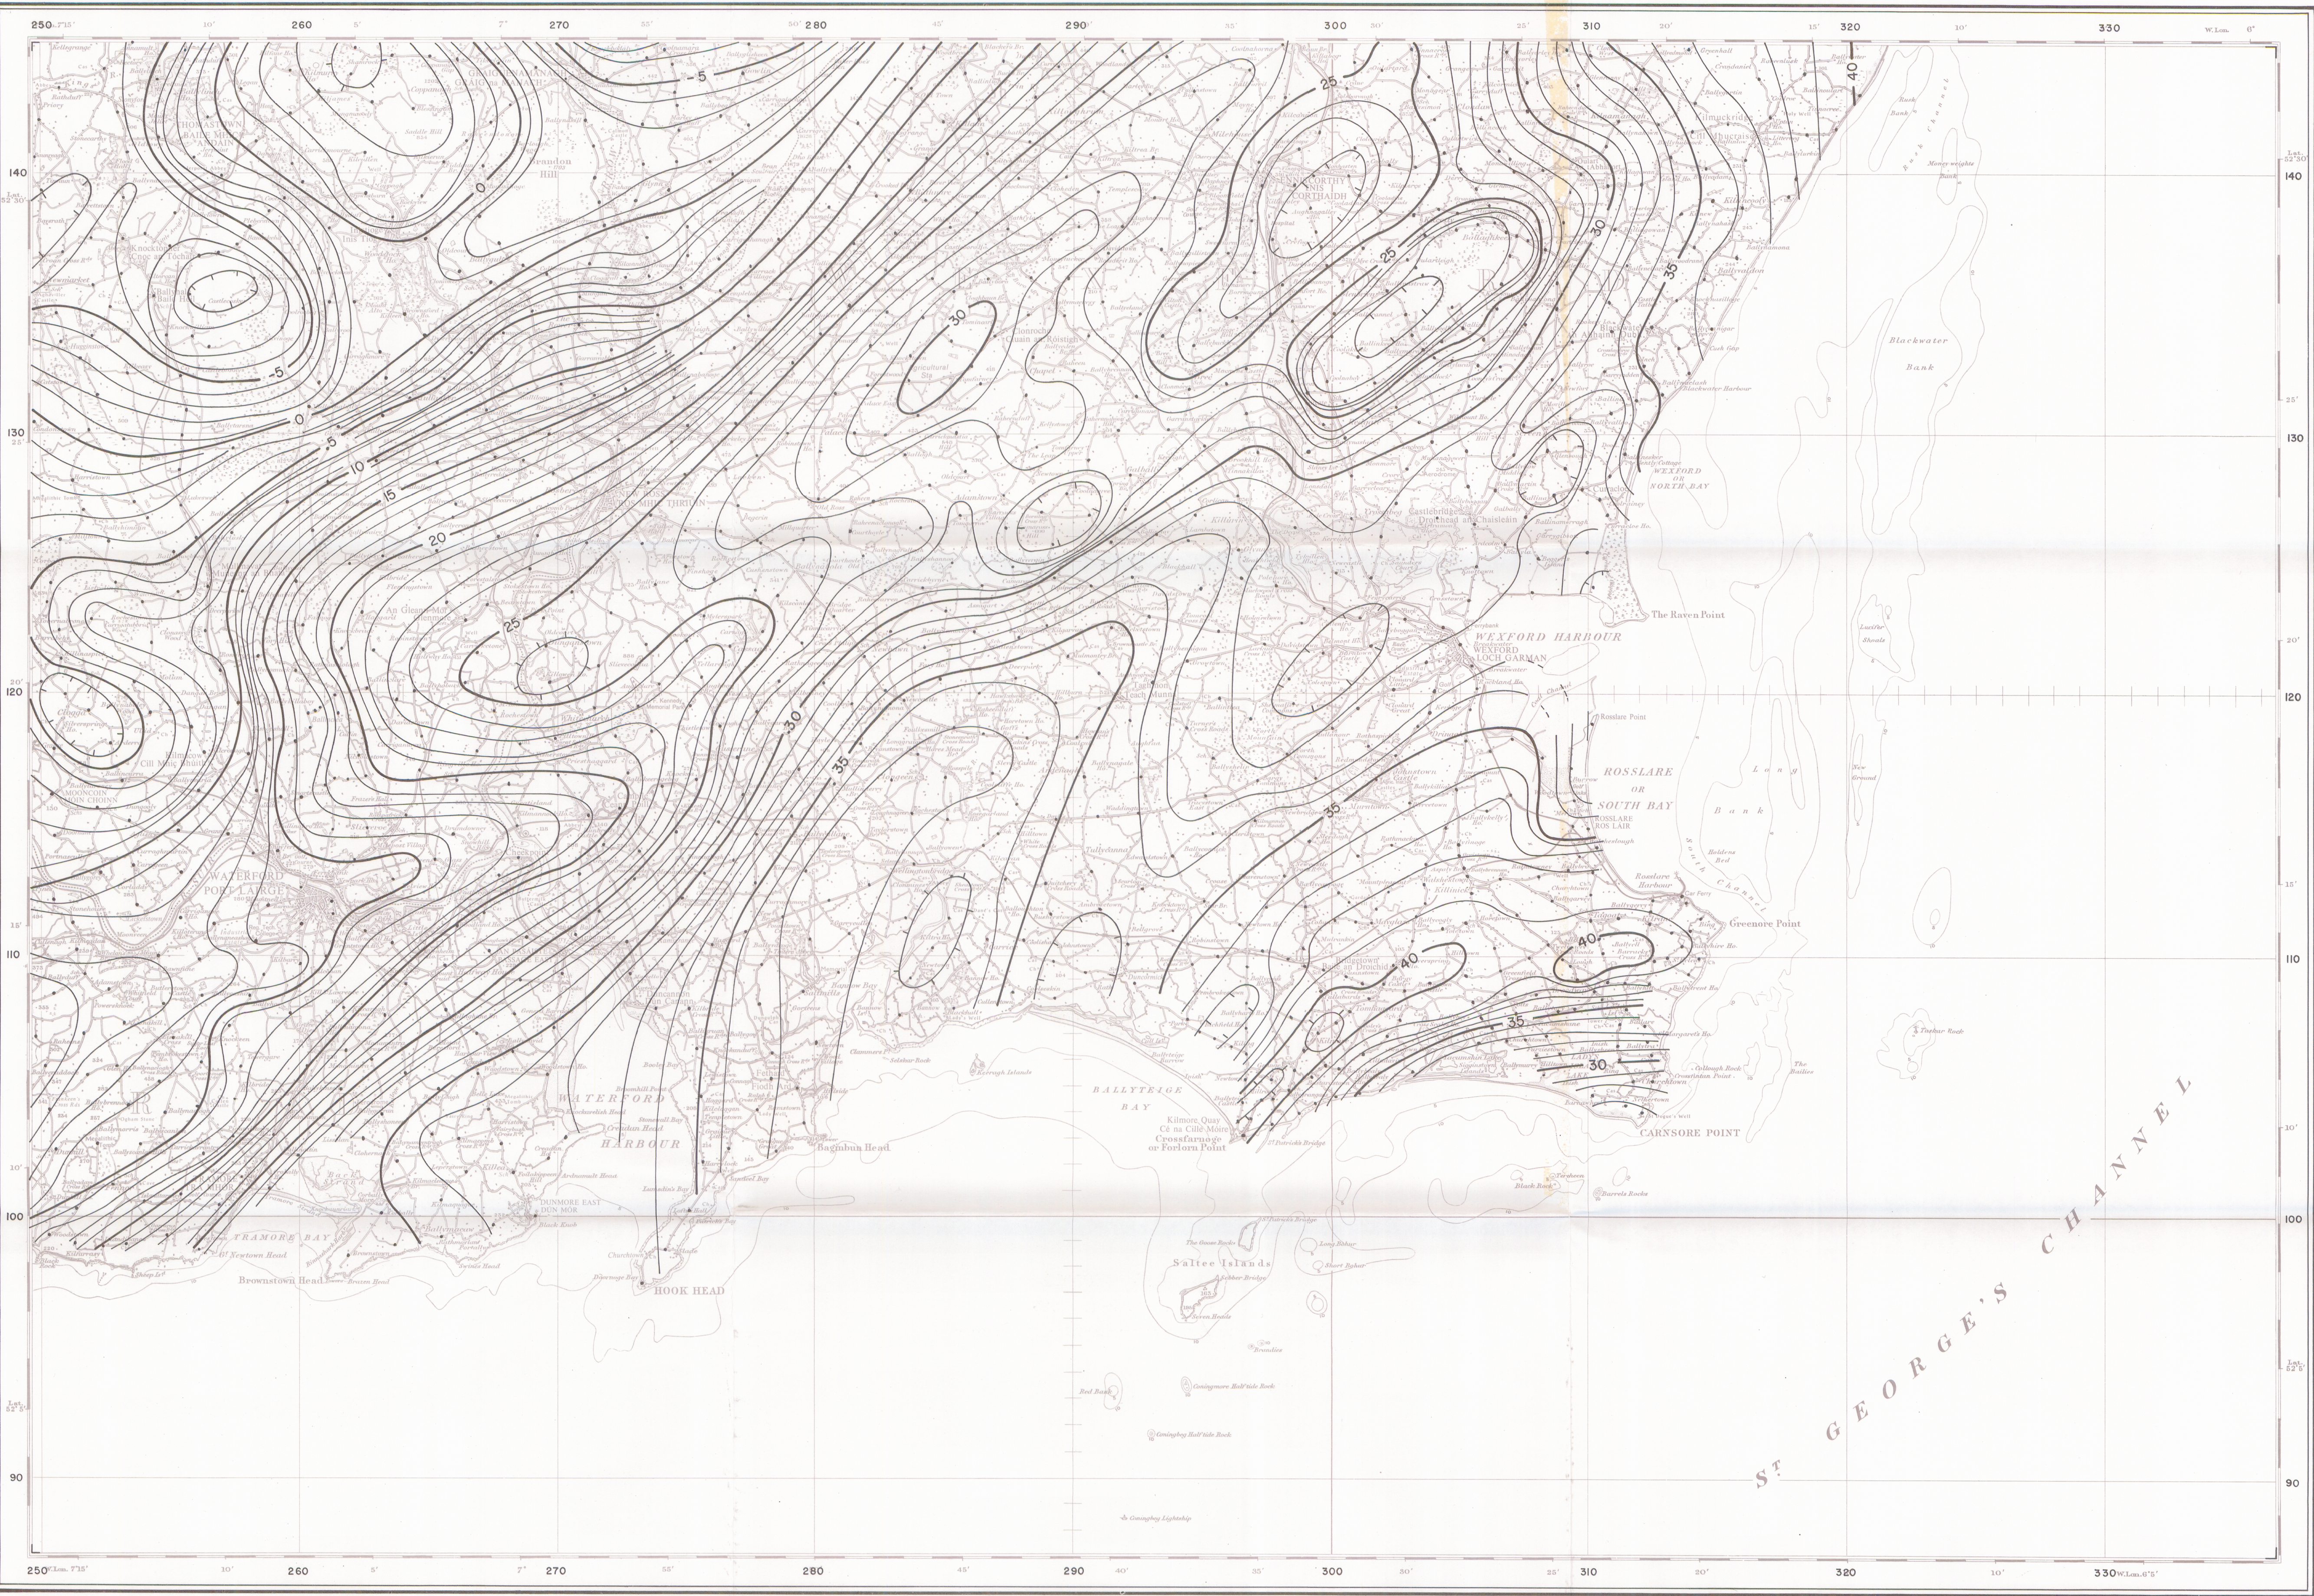

by

Thomas Murphy

DUBLIN

THE DUBLIN INSTITUTE FOR ADVANCED STUDIES

Price £10

Bouguer Anomaly derived from:

International Gravity Standardisation Net 1971 value for DUNSINK
981 374.92 mGal

International Gravity Formula 1980 at mean sea level

Surface Density 2670 kg/m³

Contour Interval 1 mGal • Gravity Reading

Scale of 1/2 Inch to 1 Mile = 1:126,720

2 5 10 Kilometres
2 4 6 8 Miles

Contouring by Thomas Murphy; Drawing by Peter Murphy.

Base map reproduced by permission of the Director, Ordnance Survey,
Phoenix Park, Dublin.

Published by the Dublin Institute for Advanced Studies, 10 Burlington Road,
Dublin 4.
