CURRENT MARKS AND ABBREVIATIONS

* *	surrounds insertions by me
* *	variant forms of the lemmata for finding
** (trailing at end of article)	wholly new article inserted by me
++	surrounds insertion from the addenda
++ (trailing at end of article)	wholly new article inserted from addenda
† †	marks what is (I believe) certainly wrong
!?	marks an unidentified source reference
[ro]	Hogan's Ro [=reference omitted]
{1} etc.	different places but within a single entry are thus marked

Identical lemmata are numbered. This is merely to separate the lemmata for reference and cross-reference. It does not imply that the lemmata always refer to separate names
